This website is presented for informational purposes only. It is intended for personal, non-commercial use only. No information or opinions contained in this site constitute a solicitation or offer by Sunrise Capital Partners LLC ("Sunrise") to you to invest with Sunrise, to buy or sell securities or any other investment product to you, or to furnish any investment advice or service to you. This site is intended as a general introduction to Sunrise and its products. It is not intended to provide specific investment advice nor does it represent that a Sunrise investment is suitable for you or any other investor. Moreover, the information contained in this site does not provide a basis for making a fully informed investment decision. Should you have an interest in potentially investing with Sunrise and learning more about the Sunrise Opportunity, you will first have to fully and accurately complete a Sunrise investor questionnaire. If Sunrise approves that questionnaire, you will then be required to read and certify your reading of Sunrise's full set of disclosure materials. If you are considering an investment in one of Sunrise's funds, you will have read and reviewed a complete copy of that fund's offering memorandum. Sunrise and/or its service providers may conduct additional due diligence on you prior to your investment with Sunrise. Additionally, you should conduct your own, thorough due diligence on Sunrise prior to making any investment. Investment in the futures, forward and over-the-counter ("OTC") markets via Sunrise or any other investment vehicle involves significant risk and Sunrise investors may lose all of their initial investment with Sunrise or more. Past results are not necessarily indicative of future results. An investment with Sunrise is speculative, and any person subscribing for an investment must be able to bear the risks set forth in Sunrise's offering materials.
